

RESTORE REBUILD REIMAGINE FUND

JUNE 2022

PARTNERS

Several industry partners have joined the efforts of the Restore-Rebuild-Reimagine (RRR) Fund. Each has taken the lead working in designated areas along each corridor. With this expanded team, the RRR Fund can leverage our collective resources to better support business and property owners.

TRI-CONSTRUCTION
Community. Construction. Development.

FUTURE GROWTH

Helping business and property owners rebuild now is critical to the future growth and success of each corridor. In fact, the assistance we're providing today is already paving the way for other rebuilding and reimagining efforts.

The blue boxes on the map represent properties along Lake Street that have received help from the RRR Fund. The orange boxes represent new construction and buildings that were completely destroyed that have since been rebuilt through the work of other organizations and community initiatives.
